### Report of the Mississippi Orphans' Home.

*To the Bishop and Members of the Mississippi Annual Conference, in Session December 7, 1904:*

DEAR FATHERS AND BRETHREN—The Board of Directors of the Mississippi Orphans' Home present to you the following annual report, through their Executive Committee:

At the last session of your Body, we reported the Home in a very gratifying condition. Many improvements had been made, including an excellent steam heating system, at a cost of \$1,315.00.

The Board, after a careful deliberation, appointed Rev. W. T. Griffin, who had been Manager, to be Field Agent, to solicit funds for the expenses of the Home and for the erection of a new brick dormitory, which had been suggested to you in our last annual report, and elected Rev. W. S. Shipman as Manager, to reside, with his family, in the Home and have parental care of the Home family. These two officers entered on their respective duties in March, 1904. Further improvements, made necessary for sanitary reasons, were introduced, at the cost of \$338.15.

At one time there were many cases of sickness among the children, and four died.

On July 11 the main building, with nearly all the clothing, furniture, etc., was destroyed by fire. It is a merciful blessing that the fire occurred in daylight, and that no life was lost and no one injured. The loss was great. The building, with steam pipes, boiler, radiators, water pipes, water closets recently introduced, was well worth \$18,000. The insurance was \$7,500. The good citizens of Water Valley were kind, and gave tender attentions to the little ones. By arrangement with the Trustees of Hamilton College, we leased the college building for a year. The Orphanage is domiciled there at this time. It is important for us to have a building ready by the summer of 1905.

We regret the death of our brother and the orphans' friend, W. M. Thornton. As a director of the institution, he had shown himself wise in counsel, and we trust that the Conference will, in filling his place, give us a man that will take up his work with Christian zeal.

The following is from the annual report of the Treasurer, M. L. Burton:

Of those now here fifty-five belong to the church; seven have joined the church this year.

The County School Board grants the Home a public school for about an average of seven months per year, allowing us pay for a principal and one assistant. Miss Diggs is principal and Miss Mary Koon assistant, both graduates of the Grenada College. They are doing faithful work. We have eighty pupils in school. Instruction is given in the usual grammar school branches and in Latin and music. Special and constant attention is given to religious instruction and training.

Family worship, consisting of Scripture reading and recitation, singing and prayer, is conducted morning and evening. The Sunday School lesson is taught by the teachers to classes during the week. On Sunday morning all are instructed in the chapel for about forty-five minutes; at 9:30 they leave for the Methodist churches of Water Valley, and are there taught with the other children of the Sunday Schools, and all remain for preaching.

In the afternoon the three Epworth Leagues hold their meetings separately, the children taking active interest and part in the services. Mrs. Shipman is present to encourage and aid them in these League meetings.

Four thousand four hundred copies of the Home paper are issued monthly.

Rev. W. T. Griffin, Agent, reports as the total amount that passed through his hands since March 16, 1904, \$5 510.86.

Total subscription to be paid at Annual Conference. \$2,700.00.

As the terms of office of A. F. Watkins and W. M. Thornton as Directors expire at the session of the Conference, we request you to select their successors.

Notwithstanding the severe losses and the changes that had to be made in the Home, the work has gone on with commendable steadiness, and great good has been done in rearing and educating the orphan children. Rev. W. S. Shipman and his pious wife have shown zeal and devotion in the discharge of their numerous and difficult and delicate duties as the parental heads of this large household.

Rev. W. T. Griffin resigned his position as Agent, to take effect at the Conference, donating his salary for one month. His work as Manager and Agent has been eminently successful. Rev. W. S. Shipman resigned on November 7.

We call your prayerful attention to the resolutions adopted by the Board on November 3, 1904, as follows, and ask that you act upon them at your present session:

"WHEREAS, The Orphans' Home, in Water Valley, was burned July 11, 1904; and

"WHEREAS, It became our duty to restore the needed building in Water Valley or remove the Home to some other locality; therefore, be it

"Resolved, 1. In view of the generous interest of the people of Jackson, Miss., in the Methodist Orphans' Home, and in view of the liberal advantages in materials, we, the Board of Directors of the Orphans' Home, recommend to the two Conferences that the Home be removed to Jackson, Miss., provided the citizens of said city will contribute \$10,000 in cash.

"Resolved, 2. That, in recommending the removal of the Home, we do not intend any reflection on Water Valley or its people, but we desire to reiterate expressions of our appreciation of the many kindnesses the Home has received from them, especially at the time of the fire last July, and in the provision they enabled us to make for the maintenance of the Home in the emergency caused by said fire. It is with feelings of deep regret that we take this step. Our purpose is to secure greater accessibility, and larger facilities and advantages for the Home."

JOHN H. SHERARD, President,  
For the Committee.

A. F. Watkins and R. W. Millsaps were, on motion, elected members of the Board of Directors of the Mississippi Orphans' Home.

The report of the Board of Church Extension was read and adopted, as follows:

### Report of the Board of Church Extension.

*To the Bishop and Members of the Mississippi Annual Conference:*

The Board of Church Extension again brings you cheering news. We are thankful to report that the Mississippi Conference leads all the large Conferences in its contributions to the cause of Church Extension. Three of the smaller Conferences succeeded last year in paying in full with possibly a small surplus, but the assessments were very small when compared with the assessment upon our Conference. Among the larger Conferences, Mississippi stands first in its support of this great enterprise of Church Extension. Surely this is cause for thankfulness.

The collections from the several Districts for the year 1904 are as follows:

	Assessed.	Paid.
Vicksburg .....	\$ 400 00	\$ 286 25
Seashore .....	750 00	780 00
Jackson .....	450 00	369 00

Brookhaven .....	550 00	485 65
Natchez .....	350 00	350 25
Forest .....	450 00	450 00
Total .....	\$ 3,400 00	\$ 3,147 30

This leaves a deficit on the whole assessment of only \$194 40.

There were twenty-one applications for aid before the Board, from the districts as follows: Meridian, 1; Vicksburg, 1; Forest, 4; Seashore, 6; Jackson, 3; Brookhaven, 3; Natchez, 3.

The amount required to meet these urgent appeals was \$3,950.00. Your Board had \$1,547.00 to be distributed among these claimants. All were needy. Every one of them ought to have had the whole amount asked for. After careful and prayerful consideration of the applications, the following distribution was made:

Grace .....	\$ 100 00
Hamburg .....	75 00
Pearl Street, Natchez .....	200 00
Woodland .....	25 00
La Branche Street, McComb .....	200 00

Rocky Point .....	25 00
Flora .....	72 00

Marvin.....	25 00
Pinola .....	25 00
Pulleys .....	50 00
<hr/>	
Total to churches .....	\$ 1,547 00
To Dr. P. H. Whisner .....	1,548 90
To printing Minutes .....	35 00
To expense account .....	14 50
To amount from last year .....	10 00
<hr/>	
Total to all sources.....	\$ 3,155 40
Amount in treasury .....	1 90
<hr/>	
Total .....	\$ 3,157 30

This distribution was the best that could be done with the means at our command. In the twenty-two years of the history of the organization of the work of Church Extension, the Mississippi Conference has contributed, on the assessments, \$37,509 92; to the loan funds, \$1,644.00, and to special \$427.43. and has received in donations \$24,117.00, and in loans \$8,600.00. This exhibit will compare favorably with any of the Conferences. Still, we have seventy-four societies within the bounds of our Conference without church buildings. Your Board felt constrained to appeal to you for larger liberality to this cause, which is second to none. We are thankful that we do not have to appeal to you, as in former years, not to discriminate against Church Extension. It is viewed to-day as of equal importance with Missions. Still, we noted that many of the charges reported an excess for Missions, while only a few declared an excess for Church Extension. Let us work for an excess for this great adjunct to the missionary movement. For the following reasons we appeal to you for the payment of the assessment in full:

1. Because of the fact, already stated, that we have in our Conference seventy-four congregations without houses of worship.
2. Because of the increased demands made upon the Board from needy districts, where our people must be aided if they shall build.
3. Because of new territory being opened up by the projection of new railroads through the State.
4. Because of a tide of immigration pouring into Mississippi, creating a demand for churches that must be met. One district alone could have taken every cent of this year's assessment, and even then the demand would not have been fully met.

The assessments upon the districts for the year 1905 will be as follows:

Vicksburg . . . . .	\$400 00
Seashore.....	750 00
Jackson .....	450 00
Forest .....	450 00
Meridian.....	450 00
Brookhaven .....	550 00
Natchez .....	350 00

#### WOMAN'S HOME MISSION SOCIETY.

The Corresponding Secretary of the Woman's Home Mission Society, Miss Mary Holloman, reports the work of this important adjunct to Church Extension as follows:

"Since our last report to your body our work has made satisfactory progress. We have aided in the erection of several parsonages, appropriating therefor more than \$500. Our increase of membership has been very gratifying. All of the districts are represented by competent and faithful officers. At our last annual meeting Mrs. T. B. Holloman, of Vicksburg, was elected President; Mrs. B. F. Lewis, Canton, was elected Treasurer; Miss Mary L. Holloman, of Vicksburg, Corresponding Secretary."

N. B. HARMON, Secretary.

Question Twenty was resumed, and W. W. Cammack and F. M. Williams passed in examination of character and made their reports.

F. L. Crowson and E. C. Grice were passed in examination of character, but not having appeared before the committee, were continued in the Class of the Second Year.

On motion, the time of the Conference session was extended.

Question Four was called: "Who are admitted into full connection?" Henry T. Carley, William B. Jones, James W. Thompson, Shadrock N. Young, James E. J. Ferguson and James E. Williams were called before the chancel, addressed by the Bishop, answered properly the disciplinary questions, and, on motion, were admitted into full connection.

The Committee on Public Worship made the following announcement for preaching to-morrow:

Various announcements were made, and the Conference adjourned with the benediction by H. M. DuBose.

## FIFTH DAY.

GULFPORT, MISS., December 12, 1904.

The Conference was called to order at 9 o'clock A. M., Bishop Duncan in the chair. J. M. Weems conducted the opening religious exercises, announcing hymn 525, and leading in prayer.

The minutes of Saturday's session were read and approved.

The report of the Committee on Publishing Interests, pending on last adjournment, was re-read, and, on motion, adopted, as follows:

### Report of the Committee on Publishing Interests.

*To the Bishop and Members of the Mississippi Conference:*

After duly considering the various documents referred to us by direction of this Conference, we, your Committee on Publishing Interests, beg leave to submit the following report:

#### OUR PUBLISHING HOUSES.

The reports of the Book Agents concerning our Central Publishing House at Nashville, as of the Branch Houses in Texas and China, shows a satisfactory condition of our publishing affairs, and indicates a continued increase in the volume of business. The unusual expenditures of money demanded by the establishment of the Branch Publishing Houses, and in providing for the meetings and work of the Joint Hymnal and Joint Catechism and Order of Worship Commissioners, explain the failure of the Book Agents to declare a connectional dividend during the years of the present quadrennium. These outlays were required to meet the present and prospective needs of the Church, and will now be reimbursed many times, the Joint Hymn Book, to appear early in the coming spring, alone promising a sale whose profits will quickly make good these advances. The management of our connectional publishing interests is cordially commended as conservative and faithful. We are glad to note the constant addition to the catalogues of the Publishing House of the titles of new and helpful books on a variety of timely and appropriate subjects. We exhort our people to make a study of these catalogues, with a view to supplying their homes with books bearing the imprint of our own house. It should also be known that any worthy book, printed upon any press in the world, may be economically and expeditiously secured through our Book Agents at Nashville.

A report from Rev. G. W. Bachman, Joint Colporter for our own and the North Mississippi Conferences, shows that a considerable distribution of books and periodical literature has been secured through that channel during the year. We commend the work of Bro. Bachman, and endorse him to our people for a more generous patronage during the coming year.

#### THE CHRISTIAN ADVOCATE.

The first in importance of our connectional periodicals is the Christian Advocate, edited by Rev. George B. Winton, D.D., a man whose

classic and graceful style as an editorial writer has secured unstinted words of praise from far beyond the limits of our own connection. The high merit of the Advocate's weekly manifest of editorial and contributed matter entitles it to the general support of our pastors and people. We have information that the Book Agents hope to be able, at no greatly distant day, to change the form of the Christian Advocate and otherwise improve its mechanical make-up. We would urge that this be done at once, and we believe it a measure of sound business policy, and one likely to immediately enhance the popularity and success of the paper.

#### THE METHODIST REVIEW.

The Methodist Review, now published as a quarterly, maintains, under the direction of its scholarly editor, Rev. John J. Tigert, LL.D., a high standard of excellence in the proper elements of a Church review. It moves abreast of like publications in this country and Europe. It is a pleasing detail of our present service to report that the Review is no longer published at a financial loss to the House. Our pastors both commend and serve themselves in subscribing for and reading this dignified publication.

#### OUR SUNDAY SCHOOL LITERATURE.

Another committee is charged with the duty of reporting to you on the state and progress of the Sunday school work in the Church; but a review of the literature of this department is within our province. To speak in praise of this literature is all but a supererogation. It has long been a staple of our Church thought, and has become a sort of religious breath of life to the childhood and youth in our homes. It is circulated no more as a periodical literature simply, but as a prime commodity, and in quantities that practically equal the sum of life in our Methodist communities. So great indeed has become the sale of this literature that the profits from it practically carry the other enterprises of our Publishing House. This consideration is itself a strong argument to our people to stay by our own Sunday school literature; but the merits of that literature itself is a final claim which happily our people have no desire to disallow.

#### THE NEW ORLEANS CHRISTIAN ADVOCATE.

The New Orleans Christian Advocate, the organ of our Conference, and to the support of which we are bound by a distinct commercial agreement made between our representatives and the present editor and publisher, is recognized as being in every way worthy of our continued support. The editor, Dr. Boswell, is a faithful and loyal servant of the Church, zealous for its honor and doctrines. He is a man in whose hands the cause of the Church will never suffer. It is our confident belief that he is giving us, in its material make-up, the very best paper that his income from subscriptions and other services will warrant. The editorial quality of the paper needs no endorsement from us. We are sure that as we increase, by our patronage, the income of the paper, the publisher will employ the excess of revenues in its improvement. We beg leave to nominate the following named members of this body to serve for the coming year on the Joint Board of Publication of the New Orleans Christian Advocate, viz: T. W. Adams, W. B. Lewis and W. H. Huntley.

H. M. DuBOSE,  
Chairman.

SUPPLEMENT No. 1.

RESOLUTION.

WHEREAS, In the judgment of this Conference, the future operations of our church, in all its departments of work, are to be affected by the quality and spirit of our periodical literature; and

WHEREAS, It is equally our judgment that a higher standard and quality in the material measure of this literature is immediately and urgently demanded; and

WHEREAS, We believe that the remedy of existing defects must be found in plans and measures originating in the General Conference of the Church; and

WHEREAS, Suggestions concerning these measures may come properly from the Annual Conferences; and

WHEREAS, It is the sense of this Annual Conference that the number of official papers published in the Church is far too large, as compared with the resources and possible patronage of our people, and that it is our belief that this excessive number renders any great success at any point impossible; now therefore

*Resolved*, That a committee of three (3) members of this Conference be appointed by the chair to consider and prepare a memorial to be submitted at our next annual sitting, to be then acted upon with a view to transmitting it to the next General Conference, asking that body to institute such measures as it may deem best for securing these ends, and putting our official periodical literature throughout the connection under the direction or control of said General Conference.

H. M. DUBOSE,  
T. W. ADAMS,  
A. F. WATKINS.

(The Chair announced as the committee ordered in the foregoing resolution, H. M. DuBose, T. W. Adams, A. F. Watkins.)—SEC.

SUPPLEMENT No. 2.

REV. J. D. BARBEE, D.D.

The Committee on Publishing Interests, having been instructed by vote of the Conference to prepare and submit for the use of the Conference a suitable testimonial and tribute to the memory of the late Rev. J. D. Barbee, D.D., formerly Senior Book Agent for the Church, reports the following, viz:

WHEREAS, The Head of the Church has called from the scenes of his earthly labors into a glorious reward the spirit of the Rev. James D. Barbee, D. D., of the Tennessee Conference, and formerly Senior Book Agent of the Methodist Episcopal Church, South; therefore,

*Resolved*, That in the death of this distinguished man—distinguished alike for conspicuous labors in the cause of his Lord and for a life and character adorned by patient faith, humility and manly virtues—the Church has lost one of its most loyal and valued servants, and one whose memory it should ever cherish for what he was.

*Resolved* further, That the Mississippi Conference especially recalls the association and fellowship had with Dr. Barbee during his official visits made to us as Book Agent of the Church, and that we ever found him a godly man, full of gentle courtesies, unselfish, and moved always by impulses of brotherly love.

*Resolved*, finally, That these resolutions be entered for record upon the journal of the Conference, and that copies be furnished by the Secretary for publication in the Christian Advocate and in our Conference organ, the New Orleans Christian Advocate.

H. M. DuBOSE,  
Chairman.

SUPPLEMENT No. 3.

THE EPWORTH ERA.

We heartily commend the Epworth Era to the members of the Church, and urge the brethren, where possible, to place the Era in every home. Though hardly ten years old, it has become a competitor for a chief place in our land with that class of literature which combines the best reading for our young life. We earnestly pray that it will soon take the place in our homes of those papers which are either unsound in moral influence or weakening in mental development.

We congratulate Dr. DuBose upon the continued improvement of the Era and the enlarged field of its reading matter. We rejoice with him that in so short a while it has become self-sustaining, and we promise him our support, looking to the prosperity of this, the great journal of our young people.

The name of J. Wilson Brown was, on motion, referred to the Committee on Conference Relations for the Superannuate Relation.

Dr. Boswell, Editor of the New Orleans Christian Advocate, addressed the Conference.

The report of the Bible Society Board was read. Pending its adoption Dr. Geo. D. French addressed the Conference, when on motion, the report was adopted, as follows:

**Report of the Bible Society Board.**

*To the Bishop and Conference:*

DEAR FATHERS AND BRETHREN—

We, your Board on American Bible Society, beg leave to report as follows:

We have collected for this Conference year \$1,200.78 on an assessment of \$1,200, which is indeed very gratifying. The Society has been in dire need of \$50,000 during the year to successfully carry out its projected plans. However, we are glad to announce that two-thirds of this has been secured; but we must not lose sight of the fact that the success of our missionary work depends largely on the success of the American Bible Society. The word of God is the Sword of the Spirit, and by its use God strikes conviction to the hearts of the uncivilized as well as the civilized. Realizing the great need of the spread of the eternal truth, we recommend a forward movement. We recommend an increase on the assessment of

last year of \$370, making the assessment for the year 1905 \$1,500, and recommend that it be apportioned as follows:

Meridian District.....	\$225
Forest District.....	185
Sea Shore District.....	315
Jackson District.....	225
Brookhaven District.....	200
Natchez District.....	175
Vicksburg District.....	175

R. BRADLEY, President,  
P. H. HOWSE, Secretary,  
H. L. NORTON, Treasurer.

Report No. 1 of the Joint Board of Finance was read and adopted as follows.

### Report No. 1 of Joint Board of Finance.

*To the Bishop and Members of the Ninety-first Session of the Mississippi Conference, convened at Gulfport, Dec. 7th, 1904:*

DEAR FATHERS AND BRETHREN—

The Joint Board of Finance begs leave to report the following:

WHEREAS Our Brother Warren M. Thornton had been for twenty-eight years a lay member of the Mississippi Annual Conference and for twenty-five years an efficient member and officer of the Joint Board of Finance of this Conference, and for seventeen years its laborious and faithful treasure, we deem it right and proper that suitable resolutions on his life and death be passed by the Joint Board in annual session convened, and spread upon its minute book, and that the same be reported to this session of the Mississippi Annual Conference; therefore be it

*Resolved*, That in the death of Warren M. Thornton the Mississippi Annual Conference has lost the services of one of its most efficient officers and the Conference Claimants one of their truest friends. Be it further

*Resolved*, That we extend to the widow and son, in their time of sorrow, our sincere sympathy, and pray that the Holy Spirit will bring to their hearts that comfort which the Father has promised. Be it further

*Resolved*, That this Board suggests that the most appropriate memorial which we can establish would be a memorial fund to be known as the W. M. Thornton Memorial Fund. This fund would keep his memory green and would add to the comfort of those to whom in his life he gave of his time, his talents and his money.

J. W. CHAMBERS, Chairman.

J. C. CAVETT, Secretary.

M. H. Turner was elected a member of the Joint Board of Finance, to fill the vacancy caused by the death of W. M. Thornton.

The large number of superannuates who come to our care this year will require that the present assessment be raised in full. Brethren, do not disappoint us. It will also be necessary for all the brethren to respond early with as much cash as they can secure.

The Joint Board of Finance has turned over to our Board \$500.00, to be used as a memorial fund commemorative of the useful life and effective labors of the late W. M. Thornton, which fund we propose to increase to \$2,000.00.

Bro. J. C. Cavett, having been elected to membership on our Board by the Joint Board of Finance to fill the vacancy caused by the death of Bro. Thornton, was made a member of the Executive Committee of the Trustees of the Conference Endowment Fund.

We request the co-operation of our pastors and people in our efforts to increase this fund during the ensuing year.

In behalf of the Trustees,  
CHARLES W. CRISLER,  
Secretary.

The report of the Committee on Temperance was read and adopted, as follows:

### Report of Committee on Temperance.

*To the Bishop and Members of the Mississippi Annual Conference:*

DEAR BRETHREN—

We, your committee on Temperance, beg leave to make the following report:

We are profoundly grateful to God for the progress made and victories won for the cause of temperance. However, we are fully aware that in this fight eternal vigilance is the price of our liberty, and we can never be fully satisfied till the liquor foe is forever vanquished.

The present local option law is so framed that large responsibilities rest upon individuals and communities for the weal or woe of this cause and our ministers cannot be too zealous in constantly cultivating and developing the public conscience on this important question.

We are gratified to note that our law has been so amended that it makes the use and sale of alcoholic liquors more difficult and we also commend the manly way in which some of our circuit judges are enforcing this law. We therefore recommend

(1) That our pastors and people work in harmony with other religious denominations and associations and unions which are pledged to work against this common foe.

(2) That our pastors warn the people against social or public drinking, showing them the danger to soul and body.

(3) That they call the attention of their people to their vows on this subject.

(4) That at least once or twice a year the preachers, in their church conferences, find out, from Sunday school superintendents and Epworth League presidents, the condition of the temperance cause in their different congregations.

W. C. BLACK, President.

WALDO W. MOORE, Secretary.

The report of the Committee on Sabbath Observance was read and adopted, as follows:

### Report of Committee on Sabbath Observance.

*To the Bishop and Members of the Mississippi Annual Conference:*

DEAR BRETHREN—

We, your Committee on Sabbath Observance, beg leave to submit the following report:

WHEREAS, We believe the Christian Sabbath is fundamental to our Christian civilization, and a physical and moral necessity, and its observance enjoyed by the teaching of God's word; and

WHEREAS, We believe that there is a growing tendency to violate the sanctity of the Sabbath in the interest of both pleasure and business, not only in the cities and by railroads and other corporations, but even in the rural districts and the home life of our people. Therefore be it

*Resolved*, That we do hereby again assert our loyalty to the Sabbath as a day of rest and cessation from the ordinary rounds of business and pleasure, and as a day of Divine worship.

*Resolved*, That all our preachers be urged to preach on the subject of Sabbath observance and to use every possible means to develop among our people a sense of the sacred obligation and privileges of the Sabbath.

*Resolved*. That by our personal example we will encourage the proper observance of the Sabbath by abstaining from the use of Sunday trains and other public carriers, from patronizing any kind of business and from receiving or transmitting mail except in cases of providential emergency.

A. D. MILLER, Chairman.

H. J. MOORE, Secretary.

W. M. Sullivan, P. E., asked that J. D. Crymes be located at his own request, and it was granted.

W. M. Sullivan, P. E., also moved the location of H. B. Vandenberg, and it was done by a vote of 66 to 20.

The record of the Seashore district contains some animadversions and *ex parte* matter incriminating some of the preachers of the Alabama Conference, which should not have gone to record.

JNO. D. ELLIS, Chairman.

W. A. TERRY, Secretary.

The report of the Sunday School Board was read and adopted, as follows:

#### **Report of Sunday School Board.**

*To the Bishop and Members of the Mississippi Annual Conference:*

DEAR FATHERS AND BRETHREN—The close of another year finds us greatly encouraged by the manifest tokens of progress in the different departments of our work. God is with great emphasis calling Methodism to leadership in this great work. Evidently there is a constantly deepening, as well as a more intelligent interest in the Sunday school. More time, more thought and more study are given to it by our presiding elders, pastors, superintendents and teachers. The slipshod methods of former years have in most places passed away. Peace to their ashes! We hail with joy the beginning of a new era in which the Sunday school is to be recognized as one of the chief factors in the school of Christ. The church and the Sunday School are one and inseparable. To speak of them as different institutions is a very serious mistake. "The Church in the Sunday school, the Sunday school in the Church."

So far as we have been able to ascertain Children's Day and Rally Day have been more generally observed than ever before. These anniversaries and also Decision Day must be observed in order to achieve the best results and we urge all pastors and superintendents to observe these days. Hitherto the lack of any standard of uniformity in Sunday school work has, in our opinion, greatly retarded our advancement and hindered the largest efficiency, but this has now been happily provided for by our General Sunday-School Board, through its committee, Mr. J. R. Pepper, Dr. James Atkins and Dr. H. M. Hamill, who have formulated certain characteristics which are to constitute a standard for our Sunday schools to work up to, and to which any Sunday school can attain by persistent effort, and these requirements having been met, the Sunday school so doing is graded as a standard school. We urge the adoption of this standard by the Sunday schools of our Conference.

A full report of the committee is found in the Senior Quarterly for the present quarter. Please read carefully the different sections of the report, especially from I to II inclusive, as of prime importance in working up to the ideal set by the committee.

The Sunday School Institute held at Brookhaven May 2—5 was very largely attended by Sunday school workers from all over our conference. Dr. Hamill and his talented wife made telling addresses, and the effects will be far-reaching in the great good accomplished.

We would again call the attention of our pastors to the fact, that the Study Circle course is now an organic part of our Sunday school educational system, and is under their immediate care. The changed conditions today in our Methodism demand trained teachers. The general spread of education is making the problem of the Sunday school teacher a difficult one. Our editor, Dr. Jas. Atkins, gives assurance of the continued prosperity and widening influence of our excellent literature and we again invoke absolute loyalty to our own publications.

We commend to our pastors and all Sunday school workers the little book entitled "Methodist Drills" just issued by our Publishing House, as very helpful in the proper training of our boys and girls.

The Board has appropriated an amount not exceeding \$50 to any presiding elders district to be used to purchase literature for needy Sunday schools.

We recommend that an institute be held during the last week in April, 1905, at some place to be selected by the secretary. We also request the presiding elders to set apart the first day of the District Conferences for Sunday school institutes, and as far as possible permit the Sunday School Board to furnish programs for the entire day.

We heartily commend the proposition submitted to our Conference by Dr. Hamill to hold a Summer Training School for Sunday School workers and pastors of our own and adjacent Conferences at the Seashore Camp Ground at such time, during the season of 1905, as may be most convenient to all concerned, provided the grounds can be secured for such Training School.

We recommend the appointment of following members of the Board as a special committee:

J. S. Parker, John W. Crisler and W. H. Lewis to confer with the management and Dr. H. M. Hamill further in the matter, giving the committee power to act and pledging our hearty co-operation as a Board and Conference with the enterprise if it be fully practicable and advisable.

Respectfully submitted,

J. S. PARKER, Chairman.

N. A. MOTT, Secretary.

The report of the Board of Missions was read and adopted, as follows:

### Report of the Board of Missions.

*To the Bishop and Members of the Mississippi Conference, M. E. Church, South:*

DEAR BRETHREN—Your Board of Missions begs leave to submit their report, as follows:

The year with us has been most gratifying. The reports of those serving charges aided by us show development in spiritual and material things.

Our financial exhibit is in excess of anything previously reported by this Conference. The number of charges reported as paying in full and over-paying these claims is not as large as last year, but the amount received is largely in excess. For the first time in many years, we pay

one hundred cents on the dollar to our brethren serving charges aided by us, and pay in full our Foreign Missionary assessment. We have raised for Domestic Missions on assessment, \$7,442.16. At the anniversary, \$25.05. Total, \$7 467.21.

For Foreign Missions we have raised on assessment, \$9,900.65. At the anniversary, \$102.35. Total, \$10,003.00, and a grand total for missions this year of \$17,470.21, as against \$15,678.84, an increase of \$1,791.37 this year for missions.

Our sisters of the Woman's Foreign Missionary Society report a most successful year, and, as a special work, they are raising \$1,000 to be divided between the support of Miss Hughes, Miss Watkins, who has just gone from us to China, and the Maria D. Wightman lectureship fund.

We would again most heartily endorse "Go Forward," and urge its introduction into every Methodist home in our Conference.

We most cordially commend the Missionary Training School, to be opened by our General Board in Nashville, Tenn., the first of January, and would request our Presiding Elders to take such action as they shall see proper to secure representation for our Conference there.

Feeling the great urgency of a District Missionary for the Seashore District, and at the same time realizing the inability of our Board to meet this need, we passed a resolution commending this move and authorizing the Presiding Elder of the Seashore District to raise \$600 for this purpose.

The Board recommends the appointment of Rev. M. M. Black as Conference Secretary of Missions for the ensuing year.

The report of the Epworth League Board was read and adopted, as follows:

### Report of the Epworth League Board.

*To the Bishop and Members of the Mississippi Conference:*

DEAR BRETHREN—Your Epworth League Board begs leave to submit the following:

There are within the bounds of this Conference fifty-eight Senior and seventeen Junior Leagues, making a total of seventy-five.

More and more our preachers and people are coming to realize, not only that the Epworth League is a regular institution of the Church, but also that it means the young life of the Church actively and systematically engaged in Church work, and that it is potential of vast good to the cause of Christ.

The General Minutes for 1903 show that the Epworth League is growing faster than any other institution of the Church. Having long since passed the stage of novelty and experiment, the Epworth League by this fact demonstrates its value and its right to command consideration.

We heartily commend the Mississippi Conference League, and in this connection we note that the General Epworth League Board has passed the following resolution:

*"Resolved*, That it is the sense of this Board that the Epworth League Conference organizations shall be subject to their respective Annual Conference League Boards, and shall make annual reports to them."

In harmony with this resolution, we insist that the Mississippi Conference League make an annual report to this Board.

We are glad to note the increased interest upon the part of the Leaguers in Missions. A fourth department has been organized as an integral part of the League, and in connection with it there are being organized Mission Study Classes in many chapters. In this connection we desire to call attention to the Young People's Missionary Conference now held annually at Lookout Mountain, Tenn., and urge all who possibly can to take advantage of the opportunities and privileges which it affords.

More than a year ago the Leagues of the Mississippi Conference proposed the support of Dr. J. B. Fearu, and, while some have remembered their pledges, yet in a large measure the Leaguers have failed to keep their promises. We trust that at the Annual League Conference, to be held during the coming summer, this matter will be so arranged as to guarantee the fulfillment of our promises.

We are very glad to note the increasing prosperity of the Epworth Era, and to know that it is now published upon a paying financial basis. Filled as it is from week to week with valuable information and practical helps for the work and presenting a high standard of literary excellence, we urge our pastors to subscribe for and read the paper themselves and then endeavor to put it into the hands of their young people.

Drs. Lambuth and Hamill, in their addresses to us during this Conference, have spoken of the necessity of training-schools for mission workers and Sunday school workers. The same need is realized by those interested in the League movement—a training-school for leaders. This has already been projected at the Seashore, only a few miles from the seat of this Conference—a building erected and work already begun under the name of "the Seashore Epworth League Assembly."

Your Board, at the close of its report, desires to adopt and make a part of their report the following resolutions, which were adopted during the past summer by the Seashore Epworth League Assembly:

"*Resolved*, first, That it is desirable to have the General Epworth League Board assume responsibility for and give authority to this organization; and in order to accomplish this end, be it

"*Resolved*, second, That as many Annual Conferences as will, shall appoint a commissioner from each, and that these commissioners report annually to the General Epworth League Board.

"*Resolved*, third, That this commission shall provide for the election of a League Council, consisting of the usual officers, who shall constitute an Executive Committee, which shall have direction of all the details of the management."

We ask for the appointment of H. W. Featherstun as commissioner from this Conference.

THOMAS B. CLIFFORD,  
For the Board.

GULFPORT, MISS., December 12th, 1904.

The report of the Board of Education was read, and after being amended was adopted, as follows:

### Report of the Board of Education.

*To the Bishop and Members of the Mississippi Annual Conference:*

After carefully considering the communications which have been referred to us by your body, we beg leave to submit the following:

#### MILLSAPS COLLEGE.

This institution is now in the midst of its thirteenth session, with an enrollment of two hundred and forty students. It is gratifying to note, not only the high character of work that is done in the literary department, but the general impression upon the entire State of the value of this honored institution in favor of Christian education. Many of her sons are occupying prominent places in the State, both in the school-room and in the pulpit. We are pleased to note improvements in grounds and building, and better facilities for the comfort and convenience of the student body. We recognize the superior ability of the faculty of Millsaps College for the training of our young men. In view of the growing demand upon the Church for higher education, we recognize the necessity of a larger endowment.

We recommend the reappointment of James A. Moore to the chair of Mathematics.

WHITWORTH FEMALE COLLEGE.

The report which comes to us from this institution is gratifying in the extreme, the enrollment for the present session being larger than for many years, there being in the boarding department one hundred and forty-two out of an enrollment of one hundred and ninety. We are specially gratified to note the elevation of this college by the General Board, of Education into class "A." The improvements which have already been made and which are in contemplation by the administration meet with our endorsement and deserve the hearty commendation of this body. We note that less than fifteen hundred dollars remains to be secured on a proposition made by Mr. C. S. Butterfield for the erection of a building to cost five thousand dollars, and we do hereby extend to the President of the institution our moral and material support in securing the said amount.

We recommend the reappointment of I. W. Cooper and H. G. Hawkins as Associate Presidents.

We recommend the confirmation of R. Z. Felder, John A. McLeod and Charles S. Butterfield, as Trustees.

PORT GIBSON FEMALE COLLEGE.

We are pleased to note the continued prosperity of this old and honored institution, which has stood for Christian education for more than a half century. We recommend the institution to the Methodists of the territory in which it is located. We are informed that the faculty is composed of women who are qualified for their work.

EDWARD MCGEEHEE COLLEGE.

The best report from this institution in the history of this Board has been referred to us, evidencing a substantial growth in favor among the people in our southwest territory. "The present attendance is seventy-five pupils, thirty-five of whom are boarders and non-residents of Woodville." The President has been compelled, for lack of room, to turn away a number of applicants during the present session. The institution in its administration and influence is decidedly Methodist, and a tower of strength to our great Church in the section in which it is located. We do most heartily appreciate the work done by Miss Swanson and her talented faculty.

MONTROSE HIGH SCHOOL.

We would not be slow to recognize the place occupied by this institution in the educational economy of our Church. The enrollment of the present session is one hundred and seventy, and encourages us in the endorsement of this school.

We recommend the appointment of W. W. Moore to the principalship, and the Presiding Elder of the Forest District as Financial Agent of this institution.

PAINE AND LANE INSTITUTES.

Believing that "the right education of the Negro is both a necessity and a duty," and that our great Church can not shut her eyes to this necessity and stand among the recognized forces for good in the land, we

as a Conference do reaffirm what has ever been, even from our fathers, our duty in the matter of Christian education and training of the Negro in our midst. We deplore the recent loss by fire of Lane Institute, one of the two schools of the C. M. E. Church, aided by Southern Methodism, and we hereby extend our practical sympathy to these our brethren, in their great misfortune, in every way for their early relief and speedy rebuilding.

## VANDERBILT UNIVERSITY.

As the central figure in our educational system, we do not hesitate to recognize and recommend to our people, in all of its departments, the work of this, our only University.

## THE CORRESPONDENCE SCHOOL.

Recognizing the value of the Correspondence School to the young preachers of our Church, we advise that they take this course of study. We would recommend that aid be given, to the extent of the matriculation fee, to those who are otherwise unable to take this course, the money to be provided as a loan out of the Ministerial Educational Aid Fund held by this Board.

## EAST MISSISSIPPI FEMALE COLLEGE PROPERTY.

We respectfully recommend that the committee, appointed at our last Conference, be and is hereby instructed to proceed at once with their negotiations with the Board of Trustees of East Mississippi Female College for the sale of the property of said college, and that the Joint Commission be instructed, after selling the property, to deposit the proceeds with the Treasurer of the Board of Education of the Mississippi Annual Conference, to be held by him in trust until disposed of by the Mississippi Conference. And that the said committee be authorized to take such legal steps as may be necessary to carry out the will of the Conference in this matter.

We recommend the appointment of Robert Selby as Conference Secretary of Education.

ROBERT SELBY, Secretary..

W. H. HUNTLEY, President.

The following resolution, read by H. W. Featherstun, was adopted:

*Resolved*, That we respectfully but most earnestly protest against establishing Methodist Episcopal churches among the white people at Gulfport, Gloster and Auburn and other places within the bounds of the Mississippi Conference, referring in our protest to these words in the Discipline of the M. E. Church, page 410, paragraph 50, edition bearing date 1904: "This General Conference hereby approves and adopts the acts passed by the first commission on Federation of the Churches, to the effect that where either Church is doing the work of Methodism, the other Church shall not organize a society or erect a church building until the Bishop having jurisdiction in the case of the work proposed shall be consulted and his approval obtained."

*Resolved*, That our Bishops are hereby requested to call the attention of the Bishops of the M. E. Church to this evident violation of the spirit and purpose of the legislation of both Churches relative to Federation and the agreement of the two Churches thereon.

H. WALTER FEATHERSTUN,  
T. L. MELLEN,  
G. H. GALLOWAY.

On motion, the time was extended for completion of the Conference business.

The report of the Committee on the State of the Church was read and adopted, as follows:

### Report of the Committee on State of the Church.

*To the Bishop and Members of the Mississippi Conference:*

DEAR BRETHREN—During the Conference year now closing, more than 3100 members have been added to the Church on profession of faith. We had over 1400 adults, and more than 1100 infants baptized.

The financial reports far surpass anything in previous years.

All of this we take as a token of steady progress and advancement of the Kingdom of our Lord within the bounds of our Conference, and with faith in the great Head of the Church we look forward in hopeful anticipation of still greater progress in the years to come.

We believe the gospel leaven is doing its work among the children of men and that our beloved Zion is surely though slowly rising above the sensual things of earth and laying hold of the spiritual.

But while we rejoice in this progress and growth and feel that we as a Church and as a Conference have much for which to give thanks to God, still we should not be blinded to the fact that the real spiritual progress of our Church is not keeping pace with its material progress.

We have reason to believe that many of our people have never realized by personal experience, the regenerating power of the Holy Ghost and knowledge of sins forgiven and Divine adoption. While many others who have tasted the good word of life have given themselves to various forms of worldliness and consequently lost their favor with God.

Therefore in conclusion your committee would urge and exhort that as preachers and layman, both in private and public, both by precept and example we give no uncertain sound as to the attitude of our Church on such things as Sabbath desecration, theatre going, card playing and such like, which things are positive violations of the rules of our Church and of the law of our God.

Brethren let us labor, pray, preach, exhort and warn, being instant in season and out of season, not slothful in business, but fervent in spirit, serving the Lord, guarding each and every interest of our Methodism and the cause of Christ with a sacred jealousy, looking forward with confident expectation of seeing the day when our Church will stand out in all of her glory looking forth as the morning, fair as the moon, clear as the sun and terrible as an army with banners.

Respectfully submitted,

J. A. B. JONES, Chairman,  
F. B. ORMOND, Secretary.

The following resolutions of courtesy and appreciation were read and adopted:

#### Resolution of Thanks for Excursion.

*Resolved*, That we the members of the Mississippi Conference, including the ladies and gentlemen, the invited guests of Captain J. T. Jones, do hereby express our grateful appreciation of his generous kindness in providing for us a most enjoyable excursion to Ship Island over the pathway to the Gulf of Mexico that his far-sighted and liberal policy has caused to be opened to the commerce of the world.

*Resolved*, further, That we pray upon him individually, and upon the great enterprise in which he is concerned, the benediction of Him from whom all blessings flow.

*Resolved*, That a copy of these resolutions be recorded in our minutes and be given the press for publication. Signed

## CONFERENCE AUDITOR.

---

M. L. Burton has been elected Conference Auditor for the remaining years of this quadrennium.

Just before the meeting of the next Conference he will mail to each pastor some report blanks and a directed envelope.

The pastor is expected, on the first day of the Conference session, to hand to the Auditor this envelope, containing all of his Conference reports, and checks or vouchers to cover the exact amount paid by his charge on all the assessments.

The Auditor will examine these reports, and, if they are found to be correct, will forward them to the Statistical Secretaries; but if there should appear a difference between the amount reported as having been collected and the amount of the checks and vouchers enclosed, he will see that the difference is adjusted before the reports are given to the Secretaries for record.

If any further information should be desired, the brethren will write to

REV. M. L. BURTON,  
Magnolia, Miss.
